

EXHIBIT 5

Important: The Public Records and commercially available data sources used on reports have errors. Data is sometimes entered poorly, processed incorrectly and is generally not free from defect. This system should not be relied upon as definitively accurate. Before relying on any data this system supplies, it should be independently verified. For Secretary of State documents, the following data is for information purposes only and is not an official record. Certified copies may be obtained from that individual state's Department of State. The criminal record data in this product or service may include records that have been expunged, sealed, or otherwise have become inaccessible to the public since the date on which the data was last updated or collected.

Accurint does not constitute a "consumer report" as that term is defined in the federal Fair Credit Reporting Act, 15 USC 1681 et seq. (FCRA). Accordingly, Accurint may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another permissible purpose under the FCRA.

Your DPPA Permissible Use: Civil, Criminal, Administrative, or Arbitral Proceedings
Your GLBA Permissible Use: Use by Persons Holding a Legal or Beneficial Interest Relating to the Consumer
Your DMF Permissible Use: Legitimate Business Purpose Pursuant to a Law, Government Rule, Regulation, or Fiduciary Duty
